**Brain Balance of Indianapolis Welcomes Program Founder  
Dr. Robert Melillo for Official Center Grand Opening**

*Author of “Disconnected Kids,” internationally known educator and  
clinician, Dr. Melillo discusses groundbreaking Brain Balance Program*

INDIANAPOLIS, Ind. – Brain Balance Achievement Centers is pleased to announce that **Brain Balance Program Founder Dr. Robert Melillo** will be the special guest at a three-day grand opening celebration for the Indianapolis center, **November 15-17, 2010.**

Dr. Melillo is founder of the groundbreaking Brain Balance Program® and author of the book, “Disconnected Kids.” He is an internationally known lecturer, author, educator, researcher and clinician in the areas of neurology, rehabilitation, neuropsychology and neurobehavioral disorders in children. He’s also an expert in nutrition with more than 20 years of clinical experience.

Brain Balance Achievement Centers offer the Brain Balance Program in 37 nationwide locations. This *non-medical* program has been successful in helping hundreds of children who suffer from ADD/ADHD, Dyslexia, Tourette’s, Asperger’s and Autism Spectrum Disorders.

Open since July, the Indianapolis Brain Balance Center, located at **9510 N. Meridian Street, Suite D**, will host a number of events for its grand opening, including:

**Monday, November 15**

3-5pm: Open House - A Meet & Greet with Dr. Melillo and appearance by Radio Disney, Brain Balance Center, 9510 N. Meridian Street, Suite D, Indianapolis

7-9pm: Parent Lecture at the Renaissance Marriott, 11925 North Meridian Street, Carmel

**Tuesday, November 16**

10am: Official Ribbon Cutting ceremony at Brain Balance Center in Indianapolis

1-3pm: Parent Lecture at Meridian Hills Country Club, 7099 Spring Mill Rd,  
Indianapolis

6-8pm: Professional Lecture at Meridian Hills Country Club

**All events are free and open to the public. To reserve a seat or for more information, call 317-843-9200 or e-mail Julie Peterson at [jpeterson@brainbalancecenters.com](mailto:jpeterson@brainbalancecenters.com).**

*Brain Balance Achievement Centers offer the Brain Balance Program® in 37 nationwide locations. The Brain Balance Program is an individualized and comprehensive approach to helping children with neurobehavioral and learning difficulties surmount their unique challenges. This proprietary, non-medical program has been successful in helping hundreds of children reach their physical, social/behavioral health and academic potential. Brain Balance Achievement Centers works with children who suffer with attention deficit disorder (ADD), attention deficit/hyperactivity disorder (ADHD), dyslexia, obsessive-compulsive disorder (OCD), Tourette's, Asperger's and Autism Spectrum Disorders.*

*The Brain Balance Program methodology was developed by Robert Melillo, D.C., DABCN, FACFN, FABCDD; he started using it in 1994 with patients as an educational program. In 2006, Dr. Melillo co-founded Brain Balance Achievement Centers with William Fowler. He also authored a book, "Disconnected Kids," which shows parents how to use the Brain Balance Program's drug-free approach at home.
