

Brain Balance Indianapolis Testimonial

“Hi, you guys really helped me behave in school. You guys helped me behave better. You made my body stronger.”

“You made my brain balanced. I feel good about behaving well in school. I feel a lot stronger than I did before I came here. I’m more balanced. I can do stuff better than I used to. You helped me get better grades in school. You helped me read better. You helped me with my math. I do better with math now that I came here.”
